Approve hiring two seasonal employees to assist with snow removal

**ACTION REQUESTED**

Approve hiring two seasonal employees to aid city staff with snow removal

**BACKGROUND**

Each year the City hires temporary seasonal employees to assist the Public Works Department with snow removal. This year, the City budgeted for approximately 350 hours of labor. To meet the demands of a snow fall, Staff recommends hiring two on-call employees. Staff feels these employees will not exceed allotted funding for the 2010 snow season.

Interviews are scheduled for Friday, December 11. Staff will notify the Council of its recommendations following the interview process, prior to the Council Meeting.
