Motion to hire Cody Krieg as FITS Coordinator

**ACTION REQUESTED**

Motion to hire Cody Krieg as FITS Coordinator for the 2010 summer season

**BACKGROUND**

Each summer, the City hosts it Fun in the Sun (FITS) program in neighborhood parks around the community. There are typically three staff members that support this function in the field – the coordinator and two assistants. The coordinator from the past three summers, Mitch Rue, has expressed that he will not be able to work with the program this summer.

Staff advertised to fill the position through social media, online, and through email. Three applications were received and three candidates were interviewed. The interview panel consisted of two staff members and two Park and Recreation Commission members. The group came to a unanimous decision to recommend the Council hire Cody Krieg.

Cody has been a program assistant for the past four years. The subcommittee that interviewed the candidates felt she would be the best person for the position.
