Department Head

Phil Kern, City Administrator

City Council Date

June 1, 2010

Agenda Item

Review Draft Feasibility Study for Northwest Industrial Park.

ACTION REQUESTED

Staff is completing work on the Northwest Industrial Park feasibility study and would like to present the report to the Council for discussion.

BACKGROUND

In February, staff sought approval from the Council to prepare a feasibility study for the Northwest Industrial Park. Essentially, the report outlines the development potential and infrastructure costs for preparing a phased approach to development of the proposed Industrial Park.

Staff will present the report at Tuesday's meeting for Council discussion.
