ACTION REQUESTED

Proclaim March to be Minnesota Food Share Month

BACKGROUND

Jeanie Pilarski of the Delano Food Shelf requested that the City Council proclaim March to be Minnesota Food Share Month to help raise awareness surrounding hunger in the Delano area. Delano's Food Shelf has been diligently working to meet the needs of area residents through a large volunteer base and donations from community members. The success of the Food Shelf depends on the support from the community. This proclamation recognizes that support and encourages further participation.
