Delano, MN 55328

To: Phil Kern, City Administrator

This letter is to request the re-dedication of funds the Delano Jaycees had donated to the City of Delano for the installation of an elevator at the Old City Hall. These funds were raised in the mid 1990's through the efforts of the Delano Jaycees. As of 2010, the cost of installing an elevator exceeds the funds available. The Delano Jaycees have determined that these funds, when used correctly, would have a greater, positive community impact if used in partnership with the Park Board at the Central Park. Some "much needed" upgrades and repairs include; scoreboards, concession stands, electrical repairs, and cement. At this time we would like the City to dedicate our donation to Central Park improvements and add us to the next Park Board meeting agenda so we may begin discussion on projects for the upcoming year.

If you have any question please feel free to contact me. My home number is 763-972-8274, Cell Phone is 612-483-4886. Thank you for your help. We look forward to working with the City.

Sincerely,
