**10:30 ~ 11:30**

**Helps to reduce stress, enhance your  
immune system and improve moods.  
No prior musical experience needed!**

HealthRHYTHMS® is a fun, evidence-based whole-person strategy which promotes socialization and ensures a healthy non-strenuous workout. On a deeper level it builds bridges while fostering nurturing, support, camaraderie, self-respect and respect for others. It is not really about drumming, but uses the drum as a tool for communication and personal expression.
